

Letter from Samuel P. Langley to Alexander Graham Bell, October 13, 1902

File SMITHSONIAN INSTITUTION *Washington, U.S.A* . October 13, 1902 My dear Mr. Bell:

You have probably received my telegram of yesterday, and will later get the full letter I wrote you on Saturday, both concerning the appointment of Mr. Holmes; and this is to say that since my letter and telegram, I have been told that you had written me more than once since my return.

I wish to say that with the exception of your letter of September 27th and your telegram of the 9th instant, I have received no communication from you at all. If I had, you may be sure that it would have received prompt attention.

I hear that Elsie is to be back this afternoon. I am going out to see her, trusting to find her and your grandson well.

(My best regards to Mrs. Bell)

Very truly yours S. P. Langley A. Graham Bell, Esq., Baddeck, Cape Breton, Nova Scotia.
